RE: Acceptable Brand List (ABL) for Radios

The Radio Committee has evaluated the ABLs for radios. Attached you will find copies of the October 2002 Acceptable Brands List, for portable, dash, trunk, and remote mount radios (this notice supersedes ABL-0017-048-R-380ii and 0017-048-R-359ee).

The ABLs are also posted to the DOIT purchasing website and may be downloaded at:
<http://www.doit.state.ct.us/purchase/main/ausa.htm>

Updates to existing radios and deletions for current lists may be submitted throughout the year. New radios will be considered in **July 2003**.

Please send *an updated contact sheet* to the email address listed below (if your information has changed). Your cooperation in this matter will allow the State to provide continuous service to the agencies of the State.
